President

Government Employees Health Assn., Inc.
Post Office Box 463
Washington 4, D.C.

On behalf of Mr. Ruddock, I am forwarding for your signature copies of the amended contract (CS 1065) between the Government Employees Health Association, Inc. and the United States Civil Service Commission to be effective November 1, 1963.

STAT

We have revised the basic contract originally executed in 1960 to incorporate all amendments made since that time so as to begin this period with a contract complete in itself without reference to amendments. The revision eliminates all appendices except the underwriter's policy. Appendix B of last year's contract is now Article IV of the new contract; Appendix C is Article V. The equal opportunity clause is incorporated as Article VI.

STAT

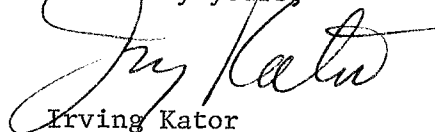

Most of the provisions of the original basic contract have been retained with slight changes in wording and a few changes in content to reflect current practices and new regulations.

The draft of the Mutual of Omaha policy attached to the contract meets the requirement of the Federal Employees Health Benefits Act and satisfactorily reflects the benefits of the Association Benefit Plan. Acceptance of the contract by Mr. Ruddock will be conditional on the issuance of a final policy identical to the draft.

If the contract is satisfactory, please sign and return the two copies to me. When Mr. Ruddock has signed, I will send you an executed copy.

STAT

Sincerely yours,

Irving Kator
